OUR MOST REQUESTED TASKS

I NEED TO

Explore: Cognitive Biases | Mental Models | Business Models | Popular books | Famous individuals | Human Typology | Start Ups & Entrepreneurs, Company Strategies | System Thinking | First Principles, etc

Learn more about a particular question or subject.

e.g. US Trade Policy, Roman History, Napoleon's Bio, etc.

Improve my general brain performance.

e.g. Think faster, make better decisions, avoid cognitive traps.

Prepare for important events.

e.g. Conferences, meetings, negotiations, etc

I WANT TO

Collect and arrange info about your business.

e.g. Use it later while networking, etc

Collect and summarise info about yourself.

e.g. Understand strengths, weakness or what could be changed.

Prepare for a Job Interview.

e.g. Collect most relevant info to show your unique experience.

I'D LOVE TO

Take A Special English Course:

Grammar | Pronunciation
Vocabulary | Listening
Reading

Learn how to collect right information quickly.

e.g. Generate a question list relevant to a topic, etc

Be able to think faster and to express my ideas clearly.

e.g. Turn a huge article into one sentence summary, etc

Explain anything to anyone and persuade any audience.

e.g. Deliver your message to a new audience, etc
